DETAILED ACTION

Allowable Subject Matter

1. Claims 62-130 are allowed.
2. The following is an examiner's statement of reasons for allowance: Welles, II et al. do not teach a telemetry system for measuring one or more parameters within a transport container that includes a receiving station, a monitoring means and a mobile monitoring sub-system on or within the transport container that includes parameter measurement means, a signal generating means that generates a status signal indicating that the system is operating correctly when all parameters are in tolerance and that generates a signal representing the value or values of the one or more parameters when one or more parameters are not in tolerance and a local communication means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
